

NYX
ROOFTOP JAPANESE RESTAURANT

9505

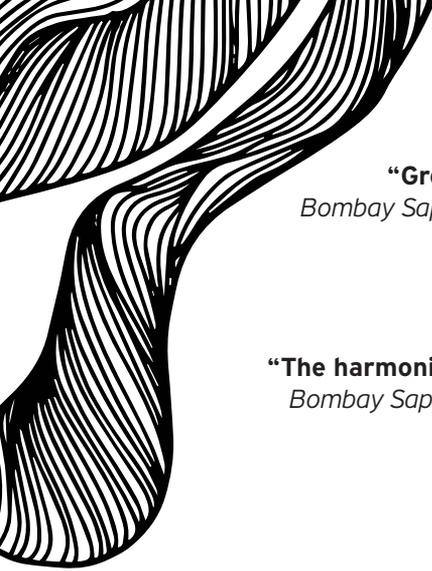

Nine five zero five is the geographical distance between Tokyo and Athens.

Let us take you on a sipping journey from Japan to Athens while taking in the roof top view of the Acropolis

Nyx draws elements of Asian traditions with key ingredients as shiso, yuzu, sansho, shiitake, edamame and plums.

Colorful, mouthwatering, refined flavors will be taking you on an epicurean journey of Japanese influences and gastronomy.
